### Taft in Porto Rico.

Caguas, Porto Rico, April 17.—Secretary Taft and his party stopped here on their way from San Juan to Ponce. The city was decorated with American and Spanish flags and a large crowd of people from the surrounding country gave the secretary a cordial greeting.

### HERMANN'S REPUTATION.

Witnesses at Washington Testify That It Is Good.

Washington, April 17.—Character witnesses and odds and ends of testimony preparatory to winding up the evidence taking feature of the trial of Binger Hermann for destroying public records marked the progress of the case. The defense has rested its case and the prosecution has begun its evidence in rebuttal. The rebuttal testimony of the defense is expected to be brief, after which arguments will be made and the case given to the jury.

That Mr. Hermann's reputation for honesty and integrity is good was testified to by Justice McKenna of the supreme court of the United States, Justice Lowry of the United States court of claims, Justice Gould of the supreme court of the District of Columbia and Chief Clerk Gilroy of the United States senate.

John S. Mosby, who was the leader of Mosby's guerrillas during the Civil war, produced two letters from the defendant commending him for work in running down land frauds in Nebraska in 1902 when Colonel Mosby was a special agent of the land office. These letters were regarded as important as showing that not all of Mr. Hermann's correspondence was copied in his letter books.

Harry J. Brown, Washington correspondent of a Portland, Ore., newspaper, identified a dispatch he sent his paper July 23, 1902, telling of the creation of the Blue mountain forest reserve. This information he said he got from Commissioner Hermann and it was printed in Portland two days before the alleged "tip" telegram sent by Hermann to F. P. Mays of Portland.

## DEATH LIST GROWING

Earthquake in Mexico More Serious Than First Reported.

### SEVERAL TOWNS DESTROYED

Chilpancingo, Chilapa, Tixtla, Ayutla, Ometepe and Tiapa Said to Have Been Wiped Off the Map—Exact Number of Casualties Unknown.

City of Mexico, April 17.—Heavy earthquake shocks continued on the west coast until 4 o'clock Tuesday morning. Late news from the area of greatest destruction in the recent earthquake shows that the devastation wrought was greater than at first supposed. Besides the destruction of the cities of Chilpancingo and Chilapa it is now reported that the city of Tixtla, between the two cities above named and containing about the same population as Chilpancingo, was also levelled to the ground and messengers from the coast who have reached Chilpancingo say that the towns of Ayutla and Ometepe have been wiped off the map.

Ayutla is about fifty miles south of Chilpancingo in the state of Guerrero and some twenty miles west of the port of Acapulco. It is one of the most historic towns in the republic for it was here that the "plan of Ayutla" was conceived which caused the revolution that finally made Mexico a real republic and developed the talents of a young officer named Porfirio Diaz, destined later to be one of the greatest men in this country. The population of Ayutla is small and it is thought that the loss of life at this place will be insignificant.

Ometepe is further south near the boundary line of the states of Guerrero and Oaxaca. It is a town of about 4,000 inhabitants.

### Whole West Coast Damaged.

Tiapa, a town eighty miles west of Chilpancingo and near the border line of the state of Oaxaca, is also reported to have been wiped out. The report from Chilpancingo says that the whole of the west coast from Acapulco south to Salina Cruz, the Pacific terminal of the Tehuantepec national railway, Mexico's new transcontinental road which was opened with elaborate ceremonies last January by President Diaz, has been badly damaged.

Owing to the remoteness of these points and to the fact that wire and rail communication is very poor, news from the stricken district to this capital comes very slowly. But one wire is working to Chilpancingo and that rather spasmodically.

Through the courtesy of the officers of the federal telegraph company the Associated Press was given the wire. The question as to the number of casualties was put to the operator but he declared that he knew nothing beyond the fact that he had been about a dozen dead bodies and knew of some thirty injured.

A dispatch to El Pais, a daily paper which is the organ of the Catholic church in this city, from the Bishop of Chilapa confirms the report of the total destruction wrought in that immediate neighborhood. Fourteen are reported to have been killed in one house and the number of injured is given as thirty-nine.

### Twelve Killed and Many Hurt.

In the city of Tixtla it is reported that twelve dead bodies have been taken from the ruins and that twice that number of injured are being cared for in temporary structures erected in the open country. The operator at Chilpancingo says that the four men in the office have been working without relief for forty-eight hours exposed to the inclemency of the weather. He reports that the state government has provided tents for the homeless people and that the governor has taken every means to provide for the comfort of the inhabitants.

Up to 4 o'clock Tuesday morning the shocks continued with more or less severity in the vicinity of Chilpancingo, completing the work of destruction and destroying many of the most important public buildings of the city.

The new municipal palace, which was erected in place of the one that was levelled by an earthquake four years ago, was almost destroyed by these last shocks. The hospitals, schools and the jail are in ruins. The prisoners from the jail were placed under guard by the rurales and are now incarcerated in a barracks building which is yet standing. The sick were removed from the hospital in safety and are now being cared for in a temporary structure erected out in the open.

At this time the total number of deaths reported is 38 and the injured 93, but in view of later reports which tend to greatly magnify the extent of the catastrophe it is thought these figures will fall far short of the real number of fatalities. These it is feared will never be accurately known, as many of the dead are of the poorer classes living in small settlements.

## FURTHER DISCLOSURES.

Made in Connection With Campaign Contributions in Chicago.

Chicago, April 17.—Further disclosures have been made to the civil service commission, which is investigating the alleged debauching of the Chicago police department by Former Chief of Police John M. Collins in an effort to bring about Former Mayor Dunne's re-election. Police Inspector John Wheeler went before the investigating body and told about receiving an order from Collins to have the men under his charge subscribe to a campaign fund in the interest of Mr. Dunne. The inspector declared that while opposed to such an assessment being made still he felt at the time that he should obey orders and that he and his men had paid into the campaign fund over \$20,000 and that he had been criticised by his chief because the collection was so small.

At the conclusion of Inspector Wheeler's testimony the members of the inquiring board said that the investigation for the present would be ended until certain corroborative testimony on minor details necessary from a legal standpoint had been obtained.

State's Attorney Healy has already begun consideration of the evidence. He had one of his representatives at the hearing Tuesday.

Any prosecutions resulting from the investigation would be by indictment. The next grand jury will be sworn in next Monday and any steps looking to the indictment of the police officials accused will probably be then taken up.

## CAUSES A SENSATION.

Filing of a Petition in Spokane Terminal Rate Hearing.

Portland, Ore., April 17.—A sensation resulted in the Spokane terminal rate hearing before Interstate Commerce Commissioner Prouty when an amended and supplemental petition in intervention was filed by J. N. Teale, attorney for Portland jobbing interests, which appear as interveners in the action. The petition asks a radical adjustment of all rates from coast points to the interior and alleges that present freight charges are exorbitant and unjust.

Commissioner Prouty said he feared that the petition would introduce a new issue into the hearing and preferred not to go into a general rate revision at this time. At the same time he allowed the petition to be filed with the defendants, who are three transcontinental railroads entering Spokane.

These transportation lines now have two foes to fight. Joining hands with them in opposing Spokane terminal rates are the coast jobbers. But should Spokane win her case then the former allies of the railroads will turn against them and fight for reduction eastward as well as west.

The supplemental petition in intervention is signed by H. D. Loveland, president of the Pacific Coast Jobbers and Manufacturers' association, and Edmund Giltner, acting for the Portland Chamber of Commerce.

## FORMALLY DEDICATED.

Magnificent Headquarters of the United Engineering Societies.

New York, April 17.—The magnificent headquarters of the United Engineering societies, mechanical, electric and mining, in Thirty-ninth street, donated and erected by Andrew Carnegie at a cost of \$1,500,000, has been formally dedicated.

The opening exercises were held in the auditorium of the new building, where a distinguished body of professional men gathered. President Roosevelt sent greetings to the engineers' societies upon the opening of their new home, which is national in scope, and a similar communication from President Diaz was read by the Mexican ambassador.

Earl Grey, governor general of Canada, who was delayed in his arrival, sent his congratulations to Mr. Carnegie and the United Engineers by wire. The dedicatory exercises were opened by Rev. Dr. Edward Everett Hale with prayer, followed by a brief address by Mr. Carnegie. President Hadley of Yale followed with an address.

President E. E. Olcott of the United Engineering societies, representing the Founder societies, accepted the keys of the building in a brief speech.

### Elections in South Dakota.

Sioux Falls, S. D., April 17.—Municipal elections have been held throughout South Dakota, the prevailing issue being liquor license. Returns indicate little change in the present standing of the Prohibition and saloon forces. In Sioux Falls the principal issue was on the granting of a thirty-year franchise for the construction and operation of a street railway system, which was ratified.

### No Change in Balloting.

Madison, Wis., April 17.—Three ballots were taken in the Republican caucus to pick a Republican candidate for United States senator, but the balloting showed no change from the deadlock seen in the vote in the open session of the legislature at noon.

## DANGER IN DELAY

Kidney Diseases are too Dangerous for

Brainerd People to Neglect

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Brainerd.

Mrs. S. Brain, of 601 S. 10th St., Brainerd, Minn., says: "I could not do otherwise than endorse Doan's Kidney Pills and time after time I have recommended them to persons suffering from kidney troubles. I learned the value of this remedy through experience. When I first got Doan's Kidney Pills at H. P. Dunn & Co's drug store I was suffering from severe symptoms of kidney complaint. There was a constant dull aching in my back and the kidney secretions were irregular and distressing. From both these causes my rest was broken at night and in the morning I was usually languid and all tired out. Doan's Kidney Pills made a great change in my condition and after continuing the treatment I was so vastly improved that I felt warranted in recommending this remedy through the local papers. I have never changed my mind about Doan's Kidney Pills and have also found that Doan's Ointment is unequalled for itching and bleeding hemorrhoids. Both these preparations should be known to every sufferer."

For sale by all druggists. Price 50 cents. Foster Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Clergymen and their wives, together with other officials from all over the Brainerd district will begin to arrive tomorrow to remain over the Sabbath. Rev. Charles Fox Davis informs THE DISPATCH that he expects to have delegates from Akeley, Becker, Bemidji, Big Falls, Buena Vista, Cass Lake, Elk River, Glenwood, Hewitt, Bertha, Hubbard, Little Falls, Melrose, Menasha, Motley, Pillager, North Branch, Harris, Northome, Black Duck, Park Rapids, Pequot, Pine River, Randall, Royaltown, St. Francis, Sauk Rapids, Sebeka, Spencer Brook, Staples, Taylors Falls, Verndale, Wadena, Wyoming, Minneapolis, Philadelphia, Detroit, International Falls, Walker.

The conference will last four days, commencing on Thursday evening and closing on Sunday evening. All the sessions are open to the public generally and the program committee especially invite all interested in all kinds of church work to listen to the papers, discussions, symposiums and lectures.

The sessions will be held morning, afternoon and evening of each day. The morning session at 8:30 until 12:00; afternoon from 2 until 5; evening 7:45 until 9:30. A fine souvenir program of the conference can be had at the church for the asking.

The Thursday evening meeting will be in the nature of a platform meeting. Previous to the platform meeting will be an address of welcome to the visiting clergymen and others, and a response by Rev. Lafayette Dodds, D. D., of Staples.

The platform meeting will be in the nature of four 15 minute addresses on: "Personal Evangelism," Rev. J. T. B. Smith, Akeley; "Pulpit Evangelism," Rev. E. A. Cooke, Park Rapids; "The Old and the New in Evangelism," Rev. W. A. Pringle, Wadena; "Aggressive Evangelism," Rev. W. H. Farrell, Little Falls.

During the conference several visitors high up in the councils of the church will be present. Rev. J. B. Hingley, D. D., of Minneapolis, will deliver a lecture on the "Old Veteran" on Friday evening. On Saturday evening Rev. Robert Forbes, D. D., now of Philadelphia, but who is one of the widest known men of the State of Minnesota, and one of Minnesota's greatest orators will give a lecture on "The Greatest Light of the Eighteenth Century," a lecture that he has given in many states of the union and considered one of his masterpieces. Dr. Forbes will also preach on Sunday morning. Rev. Samuel P. Long, D. D., of Minneapolis, will also be present, and is down for a paper on Saturday and will preach on Sunday evening. Further outlines of the program will be given as the conference proceeds.

### AMUSEMENTS

#### Uncle Tom's Cabin Tonight

Perhaps there has never been so lavish and adequate a production of "Uncle Tom's Cabin" as that which Wm. Kibble will offer amusement lovers tonight at the opera house. The scenes, which are large enough to fill the most spacious stage, could not easily be improved. Those representing the Ohio river in winter, the rocky pass in which George Harris protects his family, the St. Clair plantation, levee at New Orleans, the cotton fields in full bloom and the "Celestial City" are all the most notable efforts, each picture being the reality as closely as that which paint and canvas will permit, and the stage perspective is so deep that the effect is exceptionally pleasing. The company is worthy of its environment. So many skilled actors have never before been engaged together as in this play Frank Lee, the eminent minstrel star, offers an excellent study of "Uncle Tom," preserving the atmosphere and accent of the old slave to a remarkable degree. Prices 50, 35, 25 cents.

Every woman appreciates a beautiful complexion, so much desired by men. Such complexions come to all who use Hollister's Rocky Mountain Tea. 35 cents tea or tablets. H. P. Dunn & Co.

### GOES TO BOZEMAN

Wilfred Purdy to Accept Good Position  
in Bank There—Succeeded Here by  
Arthur Drogseth

Wilfred N. Purdy, who has been with the First National bank several years as stenographer and bookkeeper, will leave their employ about the first of May to accept a position as bookkeeper with the Commercial National bank, of Bozeman, Mont. The position he is accepting is a fine one and while his many friends here are sorry to see him leave they are glad that he is receiving well deserved advancement and all are sure he will make good. He will be succeeded by Arthur P. Drogseth, now with the Citizens' State bank, who is also well and favorably known in this city. J. A. Herzog, of St. Cloud, is acting temporarily as stenographer in the First National bank. No successor to Mr. Drogseth has yet been chosen.

Served the State in the Indian  
Uprising in Minnesota in the  
Year 1862

Minneapolis Journal: The senate passed the Wright bill to pension citizen soldiers still living who fought during the Indian outbreak and massacres in Minnesota in 1862. The pensions are not to exceed \$12 a month. The bill passed by a vote of 41 to 1. Senator Moonan alone voting no.

"I ask to be excused from voting on this bill," said Senator Wilson, "because I would be one of its beneficiaries if it became a law. In 1862 I rendered active services during the Indian troubles. I was never captured, because in those days I was an active sprinter. With me, served several men of prominence still living. The Hon. Thomas Wilson was one. I am informed that Senator Pugh, of Duluth, also is eligible under this bill."

Senator Alderman took the floor. "A few days ago," he said, "there visited this senate an old man 93 years of age who would get a pension under this bill, P. K. Johnson, of Brainerd. He was a member of the first territorial legislature. He needs a pension and should have it."

## Do You Like Honest, Square Dealing?

Dr. Pierce's world-famed medicines are put out under the belief that publicity is the best possible guaranty of merit, and that the most intelligent people generally want to know what they take into their stomachs, whether it be as food, drink or medicine. Although it was a bold step to take, and quite out of the usual practice of makers of proprietary medicines, yet Dr. Pierce, some time ago, decided to publish broadcast and on all his bottle-wrappers all the ingredients entering into the composition, or make-up, of his celebrated family medicines. A square deal is therefore assured every one using his medicines, for one knows exactly what he or she is paying for when purchasing them, since every ingredient is published in plain English on the bottle-wrappers and the correctness of the same attested under solemn oath. These several ingredients are selected from among the very best known to medical science for the cure of the various diseases for which these medicines are recommended.

The most eminent and leading medical teachers and writers of all the several schools of practice have endorsed each of the ingredients entering into Dr. Pierce's medicines in the strongest possible terms. The makers of Dr. Pierce's medicines believe that intelligent people do not wish to open their mouths like a lot of young birds and gulp down whatever is presented to them, either in the way of food, drink or medicine, without knowing something of the properties and harmless character of the agents employed. They believe that health is too sacred a heritage to be experimented with, and that people should not take medicines of the composition of which they are kept in ignorance. Dr. Pierce's medicines are made wholly from the roots of plants found growing in the depths of our American forests. They are so compounded that they cannot do harm in any case, even to the most delicate woman or child. By open publicity Dr. Pierce has taken his medicines out of the list of secret nostrums, of doubtful merit, and made them REMEDIES OF KNOWN COMPOSITION. They are therefore, in a class all by themselves, being absolutely and in every sense non-secret.

By this bold step Dr. Pierce has shown that his formulas are of such excellence that he is not afraid to subject them to the fullest scrutiny.

There is a badge of honesty on every bottle of Dr. Pierce's medicines in the full list of its ingredients duly attested as correct under solemn oath.

No other medicines put up for general use through druggists can make claim to any such distinction, and none other than Dr. Pierce's medicines have any such professional endorsement of their ingredients. Such professional endorsement should have far more weight with the afflicted than any amount of lay, or non-professional, endorsement, or testimonials.

Of course, the exact proportion of each ingredient used in Dr. Pierce's medicines as well as the working formula or manner of preparing the same, and the specially devised apparatus and appliances employed in their manufacture, are withheld from publicity that Dr. Pierce's proprietary rights may be fully protected from such unprincipled imitators as might be practically inclined. The preparation of these medicines without the use of a drop of alcohol, so

generally employed and yet so harmful, in the long run, to most invalids when its use is long continued, even in small doses, cost Dr. Pierce several years of careful study and labor, with the aid of skilled pharmacists and chemists to assist him. Naturally, he does not care to give away his scientific and exact processes for preparing these medicines, but he does want to deal in the most open manner with all his patrons and patients, and under this frank, open and honest way of dealing, they may know exactly what they are taking when using his medicines.

**What Do They Cure?** This question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription."

The answer is that "Golden Medical Discovery" is a most potent alternative or blood-purifier, and tonic or invigorator, and acts especially favorably in a curative and healing way upon all the mucous lining surfaces as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels (as mucous diarrhea), bladder, uterus or other pelvic organs. Even in the chronic or ulcerative stages of these affections, it is often successful in effecting cures.

The "Favorite Prescription" is advised for the cure of one class of diseases only—those peculiar weaknesses, derangements and irregularities incident to women. It is a powerful yet gently acting invigorating tonic and strengthening nerve. For weak, worn-out, over-worked women—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

Women suffering from diseases of long standing, are invited to consult Doctor Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Medical Adviser (1000 pages) is sent free on receipt of 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound copy. Address as above.

## ROBBERY AT ST. PAUL

Clerk in Office of Northern Express Company Held Up.

### GETS AWAY WITH HIS BOOTY

Lone Robber Obtains Twenty-five Thousand Dollars and Manages to Effect His Escape—Arrested Later, But Money Is Not Recovered.

St. Paul, April 17.—Fred Zimmerman, clerk in the Northern Express company's office at the union depot, was held up and robbed of \$25,000 at 9:40 o'clock Tuesday night. Zimmerman says that the man who got the money was John Gunderson, who formerly was employed by the company and recently was discharged for drunkenness.

Mr. Zimmerman was at work in the depot office of the company when the would-be robber appeared. As the latter was well known to Zimmerman and had worked in the office, nothing was thought of his presence there. He remained around an hour or more talking to Zimmerman and the other employees about the place. He apparently had been drinking.

He waited his opportunity and when all others had left excepting Zimmerman and a porter the young man gave the porter some money and asked him to go for a bottle of whiskey. The visitor explained that he expected to go out on an evening train and wanted the liquor to take with him.

As soon as the porter had left the office the robber pulled a revolver on Zimmerman and ordered him to open the safe. As the young man seemed in earnest and had been drinking Zimmerman feared to temporize and obeyed the command. The robber took from the safe a package containing \$25,000. He left the office, ran down the tracks and disappeared in the darkness before Zimmerman could give the alarm.

The police were notified at once and in a few minutes every member of the city detective force was at work on the case.

The officials of the company say that Gunderson was aware from his recent connection with the office that the \$25,000 package was to be sent to the Cloquet Lumber company at Cloquet Tuesday night.

Gunderson was arrested later and taken to the Central police station. Chief O'Connor stated that while the money had not been recovered, it was only a question of time when it would be.

Rumors to the effect that Gunderson had an accomplice in the crime are denied by the chief.

### Hanged for Murder.

Wethersfield, Conn., April 16.—Henry G. Bailey was hanged at the state prison. He killed George H. Goodale, who employed him on a small farm near Middleton, July 6, last.

## The Weakness of Old Age

As the years go by the blood gets thin, watery and impure, and fails to supply the nourishment required to keep vitality at high-water mark. Circulation gets bad, and the nervous system suffers. Besides the pains and aches, besides the weakness and dizziness, there are feelings of numbness which tell of the approach of paralysis and locomotor ataxia.

Judging from the experience of the thousands of old people who have tested Dr. A. W. Chase's Nerve Pills, they seem to be exactly suited to overcome these conditions, consequent on old age.

Unlike ordinary medicines, Dr. A. W. Chase's Nerve Pills are entirely restorative in action, and cure by forming new, firm flesh and tissue, and building up the system. 50 cents a box, at all dealers, or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. The portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

### COSTLY FIRE AT MILWAUKEE

Department Store Suffers Heavy Loss From Flames.

Milwaukee, April 17.—Fire starting in the top floor of the Kroeger Bros. department store at Grove street and National avenue, the heart of the South Side business district, caused a loss probably aggregating \$150,000. The fire was confined to the top floor, but the entire stock of goods in the structure, valued at nearly \$500,000, was seriously damaged by water.

McFarland Defeats Goodman.

Davenport, Ia., April 17.—Packie McFarland was given the decision over "Kid" Goodman of Boston at the close of the fifteenth round of a fast ring battle. Both men showed cleverness, but McFarland had clearly the best of the bout and the decision of Referee Malachi Hogan was popular.

### "BLUE DEVILS"

Get Rid of Indigestion and Things Will Look Bright and Joyous

Even in the present era of prosperity and good times everything appears black to those people who are suffering wretchedly from some form of indigestion. Where digestion is quick, complete and easy there is a joyous and hopeful outlook, but indigestion causes depression.

The want of a safe, effective cure for sick headache, indigestion and stomach troubles, was always felt until the prescription known as Mi-o-na stomach tablets was put up in popular form and proved its invariable success in the many forms of indigestion.

After a few days use of Mi-o-na stomach tablets the headache, dizzy feeling, drowsiness, bad taste in the mouth, coated tongue, nervousness, sleeplessness, distress after eating—all these symptoms of a weak stomach—will disappear and perfect digestion and a good skin will show that the vital machinery is once more running smoothly.

Mi-o-na is to be taken before each meal and it will stimulate the secretory and digestive juices and strengthen the whole of the digestive system so that the unpleasant full feeling will be absent and indigestion prevented.

Mi-o-na stomach tablets are sold only in a neat metal box convenient for the vestpocket and cost 50 cents. H. P. Dunn & Co. have seen so many cures made by Mi-o-na stomach tablets that they give a guarantee with every box that the money will be refunded if the remedy fails to give satisfaction. wft3
